

HEARTS SCHOLARSHIP REQUEST APPLICATION

HEARTS makes money available for participants of its programs to ensure that needy and deserving children not be deprived of a musical theatre and/or choir experience for financial reasons. A scholarship may cover up to one half of the participant fee, as the family is expected to fulfill the balance. If you need assistance, please submit this application to the HEARTS scholarship committee. **The Scholarship Request form is due to the committee by JUNE 6th** for the current year. If approved, a confirmation letter will be mailed to the parent and/or guardian. Information that appears on this application is kept confidential.

HEARTS participants are required to participate in all fundraisers to earn money for their program fees. This is important so that the child learns to help pay his own way. **SCHOLARSHIPS ARE NOT TRANSFERABLE.**

If the child does not follow through with participating in the program, the scholarship is null and void.
